ABOUT ME

- **I live in:** Rock Falls

- **Education:** Graduated from Sterling High School, 1999
- **Hobbies:** Anything storm-related and weather, storm chasing with Aven, and the occasional burger run!

Jose is a very important member at CGH. Whenever I have trouble placing an order for supplies in the office, Jose will always take the time out of his day to help me either over the phone or through email. Jose is always in a cheerful mood, and willing to help at any time. He makes sure orders are placed appropriately and in a timely manner, and makes sure to expedite orders if I need them ASAP. He also takes the time to look around to help me find the best price on items I may be struggling to find in our warehouse or from other businesses. Jose is very friendly to vendors who we do business with and makes a good impression with those other companies. He is someone I always look forward to working with since you can always count on his friendly mannerism, and he will always do what he can to help you get what you need. Thank you, Jose, for your years of service and assistance to employees like me who need it! You rock!
