Cardiology Lab

JUNE 2026

ABOUT ME

- **I live in:** Rock Falls
- **Joined CGH on:** September 10, 2001
- **Education:** Associate degree in Applied Science, Sauk Valley Community College
- **Hobbies:** Spending time with my family and friends, swimming, listening to podcasts, and walking my dog

PROUDEST ACHIEVEMENT

Having a wonderful circle of family, friends and co-workers

MY FAMILY

Husband, Jessie; blended family of Jaydon, Isaiah, Inez and Isaac; and grandsons, Tatum and True

Jennifer is an outstanding co-worker every day. She goes above and beyond in every situation. She makes sure all of our patients are well taken care of. Since the cafeteria has been closed, all the stress testing patients have had to eat in the waiting room. It has been a cluster many times. Jennifer always makes sure the patients have his/her food in a timely manner. She makes sure all of the trays are cleaned between patients and notifies us if anyone is still ill from the medications. I have never heard Jennifer ever complain about any duties she is asked to perform. She always has a positive attitude and gets along with everyone. There isn't one instance that sets her apart, it is all day, everyday! I appreciate everything she does in addition to her "normal duties" and her continuously positive attitude! She truly deserves to be Employee of the Month.
