Secretary,
Laboratory

NOVEMBER 2024

ABOUT ME

- **I live in:** Rock Falls
- **Joined CGH on:** June 13, 2022
- **Education:** Associate Degree in Business Management with a focus on Human Resources
- **Hobbies:** Reading, crafting, and spending time with my family

PROUDEST ACHIEVEMENT

Changing jobs and pushing myself out of my comfort zone to pursue a career I am passionate about

MY FAMILY

Husband, Marcus; 3 sons, Khassid, Brennan and Tyreke; 2 daughters, Marlee and Sienna; and granddaughter, Khamari

Heather is so great at her job. She exemplifies all the standards of behavior, but most importantly our patients love her. Her degree of patience is amazing. She is our go-to person for unique situations and procedures. Heather has a positive attitude that really sets the tone for our day and she is always quick with a kind word and/or lending hand. She is a great asset to CGH and a pleasure to work with.

Purpose, Worthwhile Work...
Making a Difference!
